Ready To Fit Compression Garments with a difference

Traditionally, there has only ever been two choices when ordering compression garments. Custom Made and Ready To Fit.

TSL supply Ready To Fit Garments in Combination Sizes.

For example we are able to supply your patient with a Ready To Fit gauntlet to axilla Class 2 with the following sizes:

Medium Palm, Medium Wrist, Large Elbow & Large Axilla

Which patients are suitable?

A patient whose circumferences are stable.
A patient that requires a short term or occasional garment i.e. a patient that has had axillary clearance and is flying.

Therapist Support Laboratory Ready To Fit Garments in combination sizes are now being supplied in major Lymphoedema clinics and Burns units throughout Australia.
